MEETING MINUTES

Mike Massey started the meeting on 9/4/2014 at 6:05pm at the field with 7 members present and two visitors (Pat Page and Dale LaChance).

Minutes from the previous meeting were accepted as printed in the August newsletter.

Treasurer's Report – We have 1864.24 in the checking account.

Safety report – None this month.

Web report – All is going well. If anyone has anything to add to the webpage, please bring it to Peter

Board report – None this month. However there was discussion on the urgency that we need to have one before the end of the year in order to stay in compliance with our corporation.

Old Business:

- Wayne presented an example of the Fly-In flyers to be used for next year. A few changes were discussed and an updated copy will be forthcoming.
- Safety nets were tabled for now and will be repaired next spring
- The idea of a fund raiser rummage sale was discussed, but tabled until the January-February timeframe
- Dave brought up the idea of an expansion to the storage shed, changing it from an 8'x8' to an 8'x16' with an 8'x16' pavilion (essentially a 16'x16' structure). The cost of such a change was calculated to be approximately \$1200. Mike is going to work on a drawing for Peter to present to Dave A. to see if this is something that he would allow. Steve also brought up the idea of an economical steel shed and will be sending out the information for this to be discussed later. At this point this will be tabled pending more information as well as additional funds.

New Business:

- Nothing new

Airplane Contest:

- The plane for this month was the Maverick. Mike and Peter got it right. Mike won

Show & Tell:

- Nothing this month

Meeting adjourned at 7:20pm.

Octobers' Airplane Contest

Name that Plane

(Do I detect a "theme" going on here?)
