### Old Business:

- Fly-in is still pending FAA, MDOT and City approval. AMA insurance for the event has been obtained. At this point it was determined to keep Bay City James Clements open for the event, but start the process to move the event to Saginaw Harry Browne should Bay City not work out. If Bay City is not confirmed by the next meeting, the event will be moved. Further discussion was to include the Saginaw club as a co-host of the event. Mike M will be in contact with them to see if this could be a possibility.
- A fun-fly will be held during the Memorial Day picnic. Mike M. will be putting this together will help from Dave K.
- Safety nets will be repaired during the Memorial Day picnic
- Review of tabled items.

### Tabled Items:

- Nothing further on having a rummage sale. Possible locations are the flying field, Salzburg area, or College town in Bay City.
- An expansion to the storage shed, changing it from an 8'x8' to an 8'x16' with an 8'x16' pavilion (essentially a 16'x16' structure). The cost of such a change was calculated to be approximately \$1200. At this point this will be tabled pending more information as well as additional funds. At this point the membership size may not warrant this project. The grant for this has been submitted to the AMA but nothing has come back yet.
- A future site for winter indoor flying is still being discussed, but no further action has been taken.

### **New Business:**

- From the treasurer: \$1045 were the expenses for last year. Anticipated expenses this year are \$672. \$367 has been spent so far this year.
- Tractor blades have been changed and ready for mowing
- Mike will contact Brad regarding having the Civil Air Patrol participate in the TAG (Take Off and Grow) program
- Peter will contact the Chesaning club regarding having jets at the pancake breakfast
- Mike will bring a computer to the pancake breakfast for a flight simulator
- The fly-in committee will meet this month regarding costs for the event
- John Potts is now a member

### **Airplane Contest:**

- The plane for this month was the Gulfstream G100 in C-38 colors. Mike, Wayne and Peter got it right. Peter won.

### **Show & Tell:**

- Nothing this month

Meeting adjourned at 7:45pm.
