MEETING MINUTES

Mike Massey started the meeting on 07/06/2015 at 6:10pm at the field with 6 members present and no visitors.

Minutes from the previous meeting were accepted as printed in the June newsletter.

Treasurer's Report – We have \$1581.39 in the checking account.

Safety report – None this month.

Web report – The grass mowing schedule has been updated for the rest of the year

Board report – None this month.

Old Business:

- A fun fly for August 1st has been scheduled. The activities will be planned by John W and Mike M. Mike will also be sending email to the area clubs for their participation.

Tabled Items:

- An expansion to the storage shed, changing it from an 8'x8' to an 8'x16' with an 8'x16' pavilion (essentially a 16'x16' structure). The cost of such a change was calculated to be approximately \$1200. At this point this will be tabled pending more information as well as additional funds. At this point the membership size may not warrant this project. The grant for this has been submitted to the AMA and we've received \$141.90 to be used for field upgrades.
- A future site for winter indoor flying is still being discussed, but no further action has been taken.
- Safety nets need to be repaired and the Memorial Day picnic didn't work out as a day to work on them. Currently this is no longer a priority.

New Business:

- The Valley Aero Club is having an International Aerobatics Competition at James Clements airport. Between each flight there is a time where Flying Eagles will be able to fly. They also want us to set up a static display. Mike will try to contact Civil Air Patrol to see if they want to participate. Club voted to participate in the event on 7-11 & 12. Vote passed.

Airplane Contest:

- The plane for this month was the Oracle Challenger III flown by Sean D. Tucker. Wayne, John P. and Peter got it right. Peter won.

Show & Tell:

- John P brought a wind meter that he purchased for \$25 for his phone.

There is no Airplane Contest for August. It will resume for September.

Meeting adjourned at 7:15pm.
