**Treasurer's Report** – Treasurer's Report: \$1030.45 and is not balanced due to outstanding checks. We had expenses of \$80 for the AMA insurance on the sports dome for the indoor fun fly, \$4.85 for antifreeze for the sprayer at the field and \$280 for the annual field rental.

**Safety report** – None

**Web report** – Domain will be renewed for 3 years and there will be a search for a less expensive host

**Board report** – None

### **Old Business:**

- River of time organizers will have a meeting in January, we will learn the status of having a flight simulator and generator. The club would like to have a display all three days next year.
- Efforts for the indoor fun fly – we had about 6 volunteers at the Halloween concert and though attendance was low, we established a lot of good will for our event. Thank you to those of you who came out and braved the cold, it was a good showing and your efforts accomplished their purpose.
- Peter donated a gas-powered string trimmer for use at the field. Stored in Rafters of shed for winter. (\*note to the big gasser guys - you cannot “liberate” the trimmer motor for your next project\*).
- Eric will work with Wayne to produce a generic flyer for the club to hand out at special events.
- Peter will perform the last task of closing the field – removing the tractor battery and putting it on a trickle charger at home. Field will then close, flying still allowed.

### **New Business:**

- December 4<sup>th</sup> meeting will be in board room of the library.
- Peter will check on availability of Krzysiacs for Christmas party and get a price.

### **Airplane Contest:**

Airplane contest: There was no contest last month

Meeting adjourned at 6:52pm.
