Old Business:

- The FPV funfly had 2 members and 5 non members ,several from Kingston and one guy from the Craigslist ad that was placed for the event. It was cold and windy.
- No members were there to help Stan with parking for his event, it was a little too short notice.
- Dawn patrol setup was discussed for June 16th.
- The Memorial day picnic went well with a great turnout (around 20)with a few old members showing up.

New Business:

- Mike M. brought up a discussion of doing a display for the River of Time event again this year. We have the option of doing 1-3 days at the event and need to commit by the next meeting in July.
- Pete brought up the indoor fly season ,we need to start talking with Stan soon.
- A discussion was started about Bay City having a new parks director and wants Valley Aeroclub to have more control of events. This may be helpful for our club if we decide to have larger events at the airport.
- A nitro trainer was donated to the club by Dick Bonanszak, thanks to Eric for getting it into flyable condition.

- Several club members will be going to the West MI Jet Rally on June 8th, looks like a great event.

Airplane Contest:

Airplane contest: Pete won the airplane contest, it was a XB-70, John P, Eric and Peter were the correct entries.

Meeting adjourned at 6:56pm.
