### **Old Business:**

- The Dawn patrol went well, we had 5 members show up for the event. The simulators were a big hit.
- A few of us went to the West MI jet rally on June 8<sup>th</sup>, it was definitely worth the trip and looking forward to next years rally.
- Eric test flew the nitro trainer donated to the club by Richard B. Turns out to be a great flying plane.

### **New Business:**

- Roger from Rogers Hobby asked us to help out one of his customers with a RC plane he had built. He would like someone to install the radio equipment, check the plane over and fly it for him.
- Mike M. brought up the River of time event in September 28, 29,30<sup>th</sup>. We need to commit to at least two days.
- Mike M. will be contacting Stan about this years indoor dates, and hopefully get the ball rolling soon.
- Pat had an inquiry from New Hope Bay nursing home about having our club put on an airshow for them. Mike M. will check into this further.

### **Airplane Contest:**

Airplane contest: This month's airplane contest was an Edgley EA7 Optica. Eric, John P, Pete and Mike M. answered correctly. Pete won the draw.
