MEETING MINUTES

Tom started the meeting on 7/2/2009 at 6:02pm at the flying field with 11 members present and one visitor.

Minutes from the previous meeting were accepted as printed in the June newsletter.

Treasurer's Report –The treasurer's report showed a balance of \$576.58 in the checking account.

Safety report – There is now a frequency board in the shed, attached to the inside of the door. The use of these frequency pins was voted on and approved over the use of the original flags (none of the new member have the flags, so an alternative was necessary). If anyone is flying using a 72 MHz radio, use of the proper frequency pin is mandatory. The pin must be secured BEFORE the radio is turned on. No exceptions!

Web report – John will be updating the mowing schedule to include the new members that have joined over the summer. Please be sure to look at the new schedule since most of the dates have been rearranged.

Board report – The report was given which went over:

- An update needs to be done to the roster on the web page – John & Dave are looking into what this will take.
- A preventative maintenance checklist for the mower needs to be put in the shed – Kyle volunteered to put this together.
- The Bay City Chamber event on July 9th – We've been invited to have a static display as well as a flying demonstration for this event. Participation in this event was voted on by the members and approved.
- Fall Dawn Patrol at James Clements on September 27th – We've been invited to have a static display as well as a flying demonstration for this event. Participation in this event was voted on by the members and approved.
- Munger Potato Festival on July 29th – The club discussed participating in this event, but voted to not participate this year.

Old Business:

- The rummage sale is scheduled for July 4th. With the help of many of the club members, Ellen has put together a wealth of goodies to be sold during this event. Setup will be done starting at 10:00am on Friday July 3rd, with the sale starting at 9:00am on the 4th.

New Business:

- Invitational on August 8th – John assigned duties to be sure that everything is in order for this event. A parking fee was discussed, but voted down for this year. For those that have duties for this event, be sure to carry them out so that this event can be a success. There will be a special meeting at the field on Saturday July 25th, at 11:00am to be sure that everything has been taken care of.

- We had a visitor this month – Trent Davis from Rockford was in the area visiting his Grandparents and flew at our field as a guest.

Meeting adjourned at 7:06pm with flying afterwards.
