MEETING MINUTES

Tom started the meeting on 8/5/2010 at 6:10pm at the flying field with 11 members present and only 1 visitor (Tom Taylor's grandson Joseph came along to see what the hobby is all about).

Minutes from the previous meeting were accepted as printed in the July newsletter.

Treasurer's Report –The treasurer's report showed a balance of \$1483.52 in the checking account.

Safety report – Members present were asked to describe any incidents they had during the past month, including what happened, what went wrong and what could have been done to prevent it. This is an important lesson that we should all do after any incident. Take a few moments to reflect on it and ask yourself those same questions.

Web report – If anyone has any pictures that they would like posted on the web, please let John know.

Board report – The report was given by Peter which covered:

- The permit for the fly-in is a done deal and all is going as planned.
- The Community Room at the library is booked for October 7th, so if it's too cold outside to meet at the field, other arrangements will need to be made for that night.
- The grass cutting schedule was discussed and John volunteered to call the individuals that are scheduled to mow each week. Thanks John!

Old Business:

- No old business this month.

New Business:

- MIKE MASSEY AND BRIAN WENZEL GOT THEIR WINGS!!!!
RICH BROWN WAS PROMOTED TO INSTRUCTOR!!!!

Airplane Contest

Last month's airplane was a Velocity Canard kit plane that was correctly identified by 3 members. The winner of the contest was:

Mike Massey!

Ok guys, good luck finding this month's plane. It's a real stumper.

Name that Aircraft:

- Airplane Contest Rules:
- Only paid members of the Flying Eagles Inc. Radio Control Club are eligible to win. All entries must be emailed to emkasper@speednetllc.com BEFORE the day before the meeting (before Wednesday). The winner will be drawn from all correct entries that have been received by that date and presented during the regular meeting (need not be present to win, even if you have won previously, you are still eligible to enter every month).

The rummage we had on Saturday, July 3rd brought in a profit of \$176.71. Although it was not as great as the previous year's sale, we still had a good time despite the hot, windy weather.

I would like to thank Dave & Sandy Appold for allowing us to hold this event again at the field.

I would also like to thank those members who donated items for the sale (without you there would not have been a sale). A really big THANK YOU to the following members for coming out to help set up and take down the sale items:

Rich, Wayne, Randy, Tom, Peter, Bob, Richard, Dave, Mitch & Kyle.

Hope you enjoy the pictures from the day's event:

Until next month,
Ellen Kasper
