## MEETING MINUTES

Tom started the meeting on 10/6/2010 at 6:07pm at the Wirt library with 7 members present and no visitors.

Minutes from the previous meeting were accepted as printed in the September newsletter.

**Treasurer's Report** – The treasurer's report showed a balance of \$1256.74 in the checking account.

**Safety report** – No safety report this month.

**Web report** – No web report this month.

**Board report** – The report was given by Peter which covered:

- A reminder that non-flying members do not need to belong to the AMA.
- Net proceeds from the Fly-in amounted to \$43.11. Not bad considering the terrible weather that we had that day.
- Field closing has been scheduled for October 30<sup>th</sup>. This doesn't mean that we can't fly after that date, it's just that the tables, benches and other items will be put away. On this topic it appears that the mower should be good for another season with just some minor repairs.
- The grass cutting schedule hasn't worked well this year. It has been suggested that the seasoned members be scheduled for the first few weeks next year to get it started off properly. This way the new members will see how it's supposed to be done.
- A big Thank You to the Valley Aero Club for their help with our Fly-in this year. It was much appreciated!
- Next year's Fly-in has been scheduled for July 9<sup>th</sup> (voted on and passed). It should be much easier to get the approvals now that all of the organizations involved know who we are and what this event is about.
- One of the Valley Aero Club members has asked if we would mind putting on a display and flying for the Youth Group of their Church. This was voted on and approved.
- We have approval to use the Administration Building at James Clements airport should we ever lose the Library Community Room.

## Airplane Contest

Last month's airplane was a North American P-51A Mustang fighter. Several club members correctly identified the airplane. The winner of the contest was:

**Rich Herzberger!**

Name that Aircraft:

- Airplane Contest Rules:
- Only paid members of the Flying Eagles Inc. Radio Control Club are eligible to win. All entries must be emailed to [emkasper@speednetllc.com](mailto:emkasper@speednetllc.com) BEFORE the day before the meeting (before Wednesday). The winner will be drawn from all correct entries that have been received by that date and presented during the regular meeting (need not be present to win, even if you have won previously, you are still eligible to enter every month).
