**Safety report** – None.

**Web report** – None.

**Board report** – The report was given by Peter which covered:

- A suggestion for a small generator at the field to charge electrics.
- The reciprocal agreement with other clubs should be posted on the web and bulletin board. We'll discuss this more in the January meeting.
- Dave Kasper brought the mower home to prep it for next mowing season. Mowing procedures are on the wall in the shed, but it might be a good idea to put them in the mowing schedule. We'll discuss this more before the season starts next year.

## **From the Secretary**

Attendance at this meeting was pathetic. With only 5 out of 20 members present we barely had a quorum and were unable to complete nominations for officers. I can certainly understand illness, emergencies, or jobs that demand attention, but I can't believe that ALL of the remaining members were unable to make it to the meeting.

This is YOUR club and support is EXPECTED.
